That's it! You just helped every life-limited child in Sussex!

**Chestnut Tree House** is the only children's hospice in Sussex and cares for children and young adults from 0-19 years of age with progressive life-limiting and life-threatening illnesses from all over the county.

For every life-limited child that Chestnut Tree House is caring for, there is another child somewhere in Sussex that we are not caring for.

Without the support of Chestnut Tree House, families with life-limited children face overwhelming hardship and we simply can't let that happen. That's why we have launched **Chestnut's Challenge**.

**Chestnut's Challengers** are seven wonderful children who all receive help from Chestnut Tree House. These very special young people and their families have worked with us to create a unique cartoon character for each of them, based on their hopes and dreams.
